

SAI COLLEGE
SESSION- 2022 - 2023
REPORT OF ACTIVITY

NAME OF THE DEPARTMENT: - Commerce and Management

Name of the Event : Men's Day

Date of the Event : 19th Nov 2022

Brief Details about the Event

Every year on November 19, International Men's Day is observed, however unlike Women's Day, there are no specific events held on this day. In fact, many individuals aren't even aware that there is a day specifically for males. This day is marked annually to raise awareness of the problems that men worldwide suffer in silence. The celebration of International Men's Day also honors the contribution of men who positively affect their gender and serve as positive role models.

There are more than 60 nations throughout the world that observe the day. In order to promote gender equality, the celebration of Men's Day was endorsed. The world celebrates Men's Day on November 19 to recognize their contributions to society and family.

SAI COLLEGE with the collaboration of **IQAC**, Commerce & Management Department organized this day at Multipurpose Hall. For judging the ramp show and encouraging the participants **Mr. Jaspal Nagra** (Model & Modelling Coordinator) has been invited.

Outcome Achieved:

1. Awareness was created among all the male students and teachers
2. Improved gender equality.

Name of the Event : International women's Day

Date of the Event : 6 march 2023

Brief Details about the Event

International Women's Day is celebrated in the world over, every year on the eighth day of March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. Its root lies in the early 1900s when oppression and inequality was spurring women to become more vocal and active in campaigning for change.

This year women's day was celebrated on **6th of March**. The purpose of the Seminar was, to aware the women about their health and hygiene. The seminar was conducted by the Commerce and Management Department. The guest of Honor was **Dr. Namrata Bhusari** (MBBS, MD, OBST and GYNAE.). **Dr. Bhusari** gave a very informative lecture related to Women's Health and Hygiene; she explained the detail information on how to keep oneself hygienic during the menstruation cycle as those days are the most careful days.

She advised the women that one should treat such days as the normal ones as it's a part of one women's life.

The complete event was a very informative and useful. The students and faculty members cleared their doubts related to women problems. They were cleared with their doubts and queries then and there.

The event was concluded by giving the guest a token of Thanks by certificates and a sapling.

Outcome Achieved:

1. Students came to know about the female problems
2. Also, they learned about the hygiene benefits
3. Many students cleared their doubts regarding the female problems

Name of the Event : International women's Day

Date of the Event : 6 march 2023

Brief Details about the Event

International Women's Day is celebrated in the world over, every year on the eighth day of March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. Its root lies in the early 1900s when oppression and inequality was spurring women to become more vocal and active in campaigning for change.

This year women's day was celebrated on **6th of March**. The purpose of the Seminar was, to aware the women about their health and hygiene. The seminar was conducted by the Commerce and Management Department. The guest of Honor was **Dr. Namrata Bhusari** (MBBS, MD, OBST and GYNAE.). **Dr. Bhusari** gave a very informative lecture related to Women's Health and Hygiene; she explained the detail information on how to keep oneself hygienic during the menstruation cycle as those days are the most careful days.

She advised the women that one should treat such days as the normal ones as it's a part of one women's life.

The complete event was a very informative and useful. The students and faculty members cleared their doubts related to women problems. They were cleared with their doubts and queries then and there.

The event was concluded by giving the guest a token of Thanks by certificates and a sapling.

Outcome Achieved:

1. Students came to know about the female problems
2. Also, they learned about the hygiene benefits
3. Many students cleared their doubts regarding the female problems

Name of the Event : **ACCOUNTAHOLIC** Quiz competition

Date of the Event : 28th Sep 2022

Brief Details about the Event

Quizzes **help students identify what they know and what they don't know**. The students then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focusing on the information that still needs more practice.

SAI COLLEGE with the collaboration of IQAC Cell, Commerce & Management Department organized a written quiz competition related to accountancy for the students of different branches named as "ACCOUNTAHOLIC". Students were allotted the time slot of 1 hour to tick mark the correct options.

Outcome Achieved:

1. Students learned about the basics of accounting
2. They gained knowledge about accounting concepts
3. They get to know about the accounting terminology
4. It motivated them to keep them updated

SESSION- 2022-23

SAI COLLEGE
SESSION- 2022 - 2023
REPORT OF ACTIVITY

NAME OF THE DEPARTMENT: - Commerce and Management

Name of the Event : One Day Workshop on Ganesh Idol making

Date of the Event : 27/08/2022

Brief Details about the Event

Lord Ganesha is seen as a paramount deity in the Hindu pantheon and Ganesh Chaturthi is an incredible festival which is celebrated with elaborate extravaganza. But as people grow more conscious about the environmental-friendly measures, the festival has also witnessed a positive change specially this year and re-aligned spaces that ensure social distancing; it is a sharp-witted move to stay indoors and sculpt an idol that you can easily immerse or store away at home for the next year.

Carving an idol at home would be fascinating for teachers and children who are attempting to create memories during this time of pandemic. For children it is more important to realize, bridge the gap between and get affix with the inner significance of Lord Ganesha. While manifesting the Idol of Ganesha with their own hands, it will help children to transcend all the barriers in terms of wisdom and perfection as they start to know the essence behind the iconography and can encompass an emotion that sublimely expresses true devotion. Mr. Tuman Patel Asst. Professor was chief guest in this workshop and he trained the students on how to make a Ganesh idol, he also explained about the importance of hard work and commitment towards your own self and its importance.

Outcome Achieved:

1. Students learned about the arts on making an idol
2. It helped improving eye/hand coordination of the students
3. Students learned to express their creativity through this clay art

REPORT OF WORKSHOP

NAME OF THE DEPARTMENT:- CHEMISTRY

Name of the Event : Workshop on “Energy Conservation is the foundation of energy”

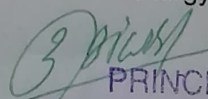

Date of the Event : 14th December 2022

Brief Details about the Event

In Sai College, Sector-6, Bhilai a Workshop was organized by ECO Club in collaboration with IQAC cell and Department of Chemistry on the occasion of “**NATIONAL ENERGY CONSERVATION DAY**” on 14th December 2022, in which Dr. Anita Savant, Senior Scientific Officer, Chhattisgarh Energy Conservation Board, Raipur was present as the chief speaker. This workshop mainly focused on making students aware about global warming and climate change and its main objective was to promote efforts towards the conservation of energy resources. Senior Scientist Dr. Anita Savant said that energy is essential for most of the activities of modern society. Its use and consumption is generally taken as an index of standard of living. We use energy in the form of firewood, fossil fuel and electricity. This makes our life comfortable and convenient. Apart from this, he also gave information about renewable and non-renewable sources of energy. The workshop was attended by Dr. Mamta Singh, Dr. D. B. Tiwari and members of ECO Club and other faculty members of Sai College.

Outcome Achieved:

1. Conservation of energy is an action made to decrease energy consumption for any means.
2. Reduce wasteful energy consumption by using fewer energy service.
3. Can protect the environment from excess resource use and carbon dioxide emission.
4. Reducing our reliance on non-renewable energy resources like fossil fuels.
5. It helps save money on energy costs, including utility bills and other energy bills.
