Name of the Event : Career Counselling

Date of the Event : 4th January 2025

Brief Details about the Event

A Career Counselling programme was organized by the IQAC and Microbiologists Society, India for the students of Swami Atmanand School, Khurshipar with the objective of creating awareness about higher education opportunities and diverse career pathways. The programme aimed to guide students in making well-informed decisions regarding their academic and professional futures.

A total of 12 students attended the session. The programme highlighted the significance of choosing the right career path based on individual interests, abilities, and future aspirations. Emphasis was also laid on the role of higher education in building a strong foundation for long-term career success. Various career options across different streams were discussed to help students gain a broader understanding of available opportunities.

The session was interactive and engaging, allowing students to share their queries and concerns. Guidance was provided on subject selection, career planning, and essential skill development. Overall, the programme proved to be a constructive initiative in helping students gain clarity and confidence in planning their future endeavors.

Outcome Achieved:

1. Improved awareness of higher education and career options
2. Better clarity on subject and career selection
3. Alignment of interests with suitable career paths
4. Increased confidence in decision-making
5. Encouragement for skill development
6. Opportunity to resolve doubts through interaction
