

Name of the Event : Industrial visit in Supreme Synth India Pvt Ltd, Hathkhoj, Bhilai (C.G.)

Date of the Event : 4th March 2023

Brief Details about the Event

On March 4, 2023, the students of M.Sc.IInd and IVth semester were accompanied to an industrial visit to Supreme Synth India Private Limited, Hathkhoj, Bhilai by the Department of Chemistry, Sai Mahavidyalaya, Sector-6, Bhilai. The main objective of which was to provide students with information about the industries workings internal. Dr. Pratibha Gumasta, HOD, Department of Chemistry, Dr. Rupa Chakraborty, Assistant Professor, Assistant Professor Dr. Damini Vishwakarma, Assistant Professor were escorted in this visit. During the excursion, the students understood the complete method of making naphthalene balls. Mr. K. S. Bedi, Head of Supreme Industries, informed the students about the manufacturing of naphthalene balls. He explained the detailed process starting from raw material required for manufacturing naphthalene ball to the final stages its purification and packing. All the students attended the excursion.

Outcome Achieved:

1. The students get to know the functioning of the industry, how the naphthalene balls manufactured, purification and packaging method and about time it will require take to complete the process.
2. Students have experimental learning about naphthalene ball making.
